

Educational Tour

Progati College, Agomani

Date: 21-02-2022

An Educational Tour, i.e., Environmental Field Work in Brick Factory, Gauripur and a visit to a Children home managed by Fulkumari Bapuji Club, Dhubri has been accomplished in which 24 students of several department such as Geography, Economics, History, English and Philosophy have joined. The teachers of the cited department also participate the tour.

As per the direction of the departmental teachers, the students discuss with the owners and labours of the Brick Factory and collect the essential information's to prepare the project on Environment.

The visit to the Children Home is satisfactory as the students come to know the crucial human condition of livelihood about which nothing was in their knowledge previously. They also spent some time and makes enjoyment with the orphans. The students distributed dry food among them. The College bears the expenditure of the tour.
