Date: 28.02.2023

An educational tour has been implemented which is organized by IQAC, Progati College, Agomani in which Ten (10) guide/teachers and 78 students of honours course belonging to different department have participated and submitted field work report to the IQAC. The initiation of this tour has been successfully done of which outcome is admirable as the participants of the tour gets new knowledge which are exercised in writing field work report.

Initiating the tour the students of our college acquire practical knowledge which is essential to innovate and refresh their mind.
