

## **Awareness Programme**

### **Amrit Brikha Andolan**

#### **Progati College, Agomani**

#### **14<sup>th</sup> August 2023**

The National Government of India has provided Amrit Brikha Andolan programmes to organize before the 77<sup>th</sup> Independence Day every corner and public institutions for sustainable environment that future generation can live in pollution free environment. In response to this national programme Progati College, Agomani organizes Awareness Programme in the Auditorium Hall. More than 150 students, student union and teachers of this college participate the programme. Mr. Ashraful Hussain, Assistant Professor makes consciousness of sustainable environment and discusses the purpose and benefits of this national programme.

Through this awareness programme the college directs the students to plant plants for sustainable environment. And students are trained to register their names in Amrit Brikha Andolan app.
